Entertainer's Dream Home

Completed in 2006, this meticulously planned 5 bedroom, 9 bathroom custom home was inspired by nature and built to sustain generations of quality life. A solid steel, bronze wrapped front door welcomes you to an impressive great room where natural light dances on hand troweled plaster walls and square peg hardwood floors. Stately Old-World herringbone fireplaces invite intimate and grand gatherings alike. Abundant windows and soaring French doors allow natural light and airflow day and night. Hand-hewn beams line sky high ceilings of the kitchen and family room. Rocky Mountain hardware, custom bronze switch plates, hand forged custom glass lighting and nine hand hammered copper sinks reflect craftsmanship of yesteryear built with state of the art technology.
